Proceedings of the Dewan to His Highness the Maharaja of Mysore, (Revenue),—dated 16th July 1886.

From the Deputy Commissioner, Hassan District, To the Chief Secretary to the Dewan of Mysore, No. 625—115, dated Hassan, 22nd June 1886.

I have the honor to submit for orders the question whether razinamas may be accepted for land on which crops are standing, the razinama taking effect for the year during which it is tendered though the crops are to be afterwards harvested in the same year. The question arises entirely in the case of lands cultivated with Vaisakha crops which are harvested in May or June in a year, but cultivated and planted in November and December of the previous year. The orders at page 7 of the Mysore Revenue Manual, 1886, (para 2), No. 1090—R. 6, dated 13th May 1874, allow of such resignations being accepted especially because otherwise no resignation can be given after the first month of the new year (April), and it is possible to argue that these orders do not apply to surveyed and settled taluks, the Survey Superintendent's opinion as given in his communication No. 1833, dated 7th August 1884, in the accompanying file of correspondence supporting this argument. According to such opinion two years' assessment becomes due on one paddy crop.
